Pin Oak Stud – July 6, 2018

## RACE RESULTS

### YOU'RE MINE

WOODBINE – Finished 6<sup>th</sup> in an allowance on the turf last Friday. She was a little closer to pace than normal but flattened out in the stretch. It was a very hot and humid afternoon at Woodbine and Malcolm Pierce puts down her subpar performance to partly the heat along with being close to the pace. Nonetheless, she seems to bounce out of the race in good shape.

### POINT SYSTEM

PRESQUE ISLE – She got her winning ways back on track for the Graham Motion barn on Tuesday. She stalked the pace most of the way, took the lead at the quarter pole and powered on home by 3 lengths. A very nice effort for the filly, which we hope will give her confidence to keep on track.

Point System looking good at the finish!

## TRAINER NEWS

### GRAHAM MOTION

FAIR HILL – NUMEROLOGIST is back in light training and is doing well. POINT SYSTEM returned to Fair Hill in good shape after her win at Presque Isle. ### MALCOLM PIERCE

WORLDS APART also recently arrived in from South Carolina is just getting used to her new surroundings.

### MIKE STIDHAM

FAIR HILL –FULL OF ZIP came out of her stake race in good order. Mike will look for an allowance race back to give her some confidence, maybe even on the grass. ## UPCOMING RACES

### SYNCHRONY

SATURDAY – Coming off a freshening, Synchrony will run in the G3 Arlington Handicap tomorrow afternoon for the Mike Stidham barn. He has been training really well at Fair Hill and has shipped into Arlington where he is being schooled and will be ready to go. The race looks like quite an even bunch of horses but with Synchrony being a G2 winner this year he is giving weight away to all of the field, but he will get his regular rider Joe Bravo. All things being well, he looks to fit right into this spot.
