RACE RESULTS

I'LL TAKE THAT

TAMPA – I'll Take That made her career debut for Graham Motion on Saturday, going a mile on the turf. Breaking well, she stalked the pace and was very strong down the backside. She lost a little ground around the turn but still ran on to finish a very creditable 5th for her debut. Gaining a lot of experience from this start the filly should be plenty tough the next time.

HIGHER POWER

FAIR GROUNDS – Higher Power finished 3rd in an allowance race for Mike Stidham yesterday afternoon. He broke well, got himself in a little pocket down the backside and did not seem to appreciate the dirt hitting him in the face according to Mike. It's possible to see him make a run on the grass the next time. He shows a lot in his morning training, but maybe not as ideal for him in the afternoon.

MISSIVE

FAIR GROUNDS – Missive coming off a long, long layoff since last May finished 7th in an allowance on the turf yesterday. Running on the grass was not ideal, but she had already been entered several times and not getting a race to go. Mike felt she needed a fitness race into her at this point. So hopefully mission accomplished and she'll get a race back on the dirt the next time.

RACE CALENDAR

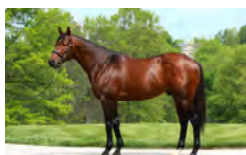

CLEAR AS DAY

SATURDAY – Scheduled to run in a maiden special at the Fair Grounds for Mike Stidham. She has been training forwardly and will make her start going long on the turf. We look forward to a good effort from her, hopefully. Also hope that the weather will cooperate and she will get to stay on the turf.

SYNCHRONY

FEB 16 – Scheduled to run in the G2 Fair Grounds Handicap next weekend. He's been training really well according to Mike Stidham and has not missed a day. Hopefully with all going well this week Synchrony will get back on track for 2019.

TRAINER NEWS

GRAHAM MOTION

TAMPA – CONDUCTIVE is on a regular breezing schedule. He will maybe have a breeze from the gate this weekend and, all going well, there could possibly be a race for him in the next week or so. I'LL TAKE THAT appears to come out of her race in good shape. PALM MEADOWS – IMPLICATION and VERBOTEN had nice breezes on the turf and then back on the dirt this week. Both coming along nicely.

Verboten - 2/2/19 Palm Meadows

MIKE STIDHAM

FAIR GROUNDS – RELISHMENT is on a regular breezing schedule and is doing well. We're all looking forward to getting SYNCHRONY back to the track on the 16th. HIGHER POWER and MISSIVE came out of their races in good shape. CLEAR AS DAY is in tomorrow.

DONNIE VON HEMEL

OAKLAWN – DANCE KINGDOM had an easy week or two after a little temperature and missing some training, but now seems to be back on track.

BRENDAN WALSH

FAIR GROUNDS – MUSICIAN is in full swing on a regular breezing schedule.

MICKEY PREGER, JR.

CAMDEN – INTERMITTENT and DON'T FORGET are back galloping. Mickey's just trying to get some miles under these older horses right now. 2yos DANCE RECITAL and GOOD ALTERNATIVE are coming along nicely. ALL SET, DISCLOSURE, DIVULGENCE and OVERSHADOW are galloping also. Mickey seems to be very pleased with the group as a whole – all very well behaved and going about their business in a professional way.
