

HORSE GOSSIP

Pin Oak Stud – March 8, 2019

RACE CALENDAR

MISSIVE

TAMPA – Breaking from the number one hole, Missive laid in contention and seemed poised for a good run, but flattened out down the lane to finish unplaced. Mike was disappointed and plans to shorten her up in distance the next time.

RACE CALENDAR

CONDUVICE

TODAY – Scheduled to run this afternoon, going 1 1/16 mi. on the turf at Tampa for Graham Motion. The colt makes his career debut for the Motion camp and we all look forward to a good effort as he's been training well.

I'LL TAKE THAT

SATURDAY – She will make her second start for Graham Motion in a maiden special on the turf at Tampa. She's been training nicely and Graham expects her to move forwardly from her debut.

CLEAR AS DAY

MAR 15 – Looking towards a one-mile turf maiden at Sam Houston Park for Mike Stidham.

HIGHER POWER

MAR 16 – Looking at a mile turf allowance at the Fair Grounds also for the Stidham barn.

TRAINER NEWS

GRAHAM MOTION

TAMPA – CONDUVICE and I'LL TAKE THAT have races scheduled. PALM MEADOWS – IMPLICATION had a good week with no temperature and should be back on track before long. VERBOTEN is on a regular breezing schedule – breezed 5/8's on the turf on Saturday.

MIKE STIDHAM

FAIR GROUNDS – CLEAR AS DAY is training well. HIGHER POWER is doing well. RELISHMENT had a splint freeze fired and will be back on a regular schedule soon. SYNCHRONY went a nice easy half mile last weekend with eye towards the G2 Mervin Muniz at the Fair Grounds in a couple of weeks.

DONNIE VON HEMEL

OAKLAWN – DANCE KINGDOM returned to Pin Oak this week for a soundness evaluation.

MICKEY PREGER, JR.

CAMDEN – INTERMITTENT continues to train well, galloping and just building up a nice foundation. WORLDS APART just arrived in and will be back at the track before long. She will also get a nice foundation under her before she returns. DON'T FORGET is back on track after having a foot bruise last weekend. 2YOS: All are doing well at this point – training along on a daily basis. The weather there has been a little wet and they've missed a few days here and there, but should not be much of a hindrance to young horses anyway.
