RACE RESULTS

IMPLICATION

TAMPA – He made his career debut for Graham Motion on Sunday. From the inside post position, he broke a little tardily, laid back going into the first turn, was very patient down the backside, made a big middle move around the home turn and was in front down the stretch to just get pipped on the wire. He ran a very courageous race and Graham was very, very happy with him and thought it was a very good debut effort. Looks like we could have a little fun with him over the summer months.

RACE CALENDAR

CLEAR AS DAY

TODAY – Scheduled to run in a maiden special at Tampa for the Mike Stidham barn. She has been training well and coming off a second-place effort should put her in the mix this afternoon, we hope.

TRAINER NEWS

GRAHAM MOTION

TAMPA – I’LL TAKE THAT continues on a regular breezing schedule on the turf. She is doing well. IMPLICATION came out of his race in good shape according to Graham. He will probably be heading north in the next couple of weeks as his next race will be at Laurel. DANCE RECITAL had an easy week and should be back on the breezing schedule next week.

MIKE STIDHAM

TAMPA – CLEAR AS DAY is scheduled to run this afternoon. FAIR GROUNDS – SYNCHRONY continues to train well. His next spot is March 21st – the G2 Muniz Memorial Classic.

DONNIE VON HEMEL

OAKLAWN – DON’T FORGET came out of his race in good shape. There’s a possible race for him somewhere mid-March. OVERSHADOW had a nice 5/8’s breeze from the gate and continues to get ever closer to a start. We can expect to get a run into him in the next couple of weeks.

MICKEY PREGER, JR.

CAMDEN – VERBOTEN is back on a galloping track and is doing well. GOOD ALTERNATIVE is still having a little easy time, getting a little weight on and hopefully will be ready to start back galloping mid to late March. The 2yos are training nicely every day, learning their lessons. Mickey seems happy with everyone, no real hiccups from anybody. They should start on breezing schedules before long.

It’s winter, but this week has felt a lot like spring!
