## TRAINER NEWS

### GRAHAM MOTION

**PALM MEADOWS** – I’LL TAKE THAT came out of her race at Gulfstream Park on Sunday in good shape. She finished unplaced, just needing that run after a very long layoff. Looks like she will head north, hopefully to Graham’s Fair Hill base, as soon as the coronavirus lets up. **FAIR HILL** – **IMPLICATION** and **DANCE RECITAL** are training daily and are just in a holding pattern for now until racing resumes.

### MIKE STIDHAM

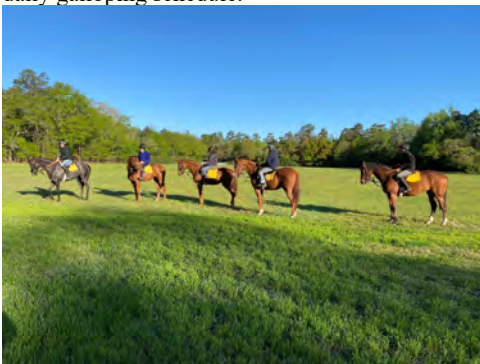

**TAMPA** – **CLEAR AS DAY** could possibly get to start again before the end of the Tampa meet. Tampa Bay Downs is still up and running, but without spectators. **FAIR HILL** – **SYNCHRONY** is waiting for everything to clear so racing can resume and we can decide what his next race should be.

### DONNIE VON HEMEL

**OAKLAWN** – There is still racing at Oaklawn at the moment with no spectators and Donnie has races on the calendar for **DON’T FORGET** (April 17) and **OVERSHADOW** (April 11), but we will have to wait and see if these will materialize or not.

### MICKEY PREGER, JR.

**CAMDEN** – The young horses (pictured below) in South Carolina are doing very well – training and going about their daily routine. Mickey is very happy with the group. Older horses, **VERBOTEN** and **GOOD ALTERNATIVE**, are also doing well. **GOOD ALTERNATIVE** is now back in light training and **VERBOTEN** is on a daily galloping schedule.

2yo Fillies, left to right: **Planetary**, **Arbitrary**, **Inside Story**, **Really Nice** & **Fascination**.

Handome 2yo colt, **Comply**.
