RACE RESULTS SYNCHRONY

BELMONT – Finished 4th, beaten a length in the Fort Marcy-G2 on Saturday afternoon for the Stidham barn. Synchrony broke a little slow, kind of got hung wide in both turns and finished with plenty of run, but just could not get to the top two and was nosed out for third. He only got beaten a length for all of it for a Grade 2. He has not run since early in the year, so Mike was pleased. Synchrony seems to come out of his race in good shape. This should set him up now that tracks are starting to open up like Monmouth and Woodbine; and there will be plenty of races to pick from the next time he is ready to go.

TRAINER NEWS

GRAHAM MOTION

FAIR HILL – I'LL TAKE THAT is on a regular breezing schedule and coming along nicely. **IMPLICATION** has been breezing regularly and has been entered twice in the last 7 - 10 days and has been excluded both times due to an over abundance of runners in maiden races on the turf. **DANCE RECITAL** is on a regular breezing schedule and is all set. There is a race for her on June 17, going 1 1/16 mi. on the grass. The filly is doing well. Both 2yos, **FASCINATION** and **PLANETARY**, breezed an easy quarter and galloped out 3/8's last weekend, going very nicely.

MIKE STIDHAM

KEENELAND – ALL SET and GOOD ALTERNATIVE arrived into Mike's barn from Mickey Preger's on Sunday and should spend about a week there before heading north to Fair Hill. **FAIR HILL** – 2yos **ARBITRARY** and **COMPLY** breezed a nice, easy 3/8's this week. Both went very well with **ARBITRARY** galloping out strongly. **MONMOUTH** – CLEAR AS DAY continues to breeze regularly.

DONNIE VON HEMEL

LONE STAR – Donnie has DON'T FORGET in a 7-furlong claiming event on Saturday. The colt has trained well up to this effort. **CHURCHILL** -- 2yos **INSIDE STORY** and **REALLY NICE** have settled in very well after being there a couple of weeks. Donnie is happy with them and said both were very professional and going around like they've been doing this all their lives.

ALL SET departing Camden, SC for KY

GOOD ALTERNATIVE Kentucky bound.

2yos **Arbitrary (inside) & Comply**, going 3/8's in 37.2 at Fair Hill TC on June 3rd.
