

PIN OAK'S HORSE GOSSIP

June 5, 2020

UPCOMING RACES SYNCHRONY

SATURDAY – Scheduled to run in the Fort Marcy S.-G2 at Belmont, going 1 1/8 mi. on the turf with Johnny Velazquez up. The horse has been training well at Fair Hill. Obviously, like most horses, he has not seen a racetrack since the early part of the year. This will be a good spot for him and he should be competitive in here. Mike is very happy with how he's training and is looking forward to getting the year started again.

IMPLICATION

JUN 12 – Pointed towards a maiden special at Churchill Downs, going 1 1/16 on the turf for the Graham Motion stable.

DANCE RECITAL

JUN 17 – Eyeing a maiden special weight at Delaware Park, going 1 1/16 mi. on the grass, also for the Motion stable.

TRAINER NEWS

GRAHAM MOTION

FAIR HILL – I'LL TAKE THAT is back on a regular breezing schedule and is doing well. **IMPLICATION** is training at Keeneland and is looking for a race on the 12th. **DANCE RECITAL** is breezing regularly and is on target for the 17th. 2yos **FASCINATION** and **PLANETARY** are galloping daily and are scheduled to have a little, easy 3/8's breeze this coming weekend.

MIKE STIDHAM

MONMOUTH – CLEAR AS DAY shipped in this week and is doing well. **FAIR HILL** – SYNCHRONY continues to train nicely and is on target for the Fort Marcy tomorrow. 2yos **ARBITRARY** and **COMPLY** went an easy 3/8's together this week. This is their second breeze for the Stidham barn.

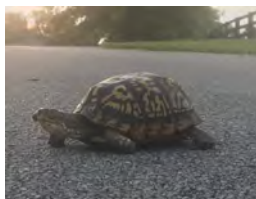

DONNIE VON HEMEL

LONE STAR – DON'T FORGET is looking to find a spot in the entry box. **CHURCHILL** – Donnie received two 2yos early this week: **INSIDE STORY** and **REALLY NICE**. They arrived into his Churchill barn and have settled into their new environment well.

MICKEY PREGER, JR.

CAMDEN – ALL SET and GOOD ALTERNATIVE should be arriving at Keeneland in a couple of days before reaching their Fair Hill destination.

IT'S NATURE'S WAY!

A pretty posy packing plenty of pollen!

We stop for critters. No speeding on farm roads!

HIGHER POWER

Higher Power, out of Pin Oak mare Alternate, is scheduled to run in tomorrow's G1 Hollywood Gold Cup at Santa Anita, his fifth consecutive G1 race. Garnering fame from his spectacular win in the million-dollar TVG Pacific Classic last year, he comes into this race slightly favored. And, leading jockey Flavien Prat who seeks his first Hollywood Gold Cup victory will be aboard.

The boss gives Alternate, dam of Higher Power, a piece of sugar. The mare retired late March. She also produced stakes winners Alternation (sire of G1 Serengeti Empress) and Interrupted.
