SEPTEMBER 18, 2020

RACE RESULTS

COMPLY (2yo)

KY DOWNS – He made his debut on Wednesday afternoon going 6½ furlongs on the turf. He broke well, probably a little too sharp early, then flattened out a little late going down the lane. Appears to come out of the race in good shape, according to Mike Stidham. Mike felt like the colt would have learned a lot from that experience as he'd been quite green in the mornings. Look for him back in a maiden special on the turf in 3-4 weeks either at Laurel or Delaware, close to Mike's base at Fair Hill.

I'LL TAKE THAT

REMINGTON – She finished 4th on Saturday in a one-mile maiden special for Donnie Von Hemel. This is her first start for Donnie since recently transferring from the Motion barn. She broke well and sharply, made a nice move around the turn and flattened out late. Donnie plans on shortening her up the next time to just making one run.

TRAINER NEWS

GRAHAM MOTION

FAIR HILL – **DANCE RECITAL** is back on a regular galloping schedule now and hopefully she can progress forwardly after having a couple of little setbacks, nothing major but just stuff needing days off here and there. 2yos **FASCINATION** and **PLANETARY** are both back in regular training and building up a nice foundation again.

MIKE STIDHAM

FAIR HILL – **GOOD ALTERNATIVE** continues to breeze well. She had a nice, sharp 5/8's from the gate last week, so hopefully she's just a work or two away from a start. 2yo **ARBITRARY** will be on the easy list for 30 days doing some aqua-treading and light training for 2yo immature joints that just need a little more time. 2yo **COMPLY** returned to Fair Hill this morning and all is well with him.

DONNIE VON HEMEL

REMINGTON – **I'LL TAKE THAT** came out of her race in good shape. We'll see her back in a similar maiden in a couple of weeks. 2yo **INSIDE STORY** has had an easy week after having a little fever and some bloodwork taken. Donnie decided to give her some time to regroup. **CHURCHILL** – 2yo **REALLY NICE** has had a little setback and will return to the farm to be re-evaluated by Dr. Hunt.

BRENDAN WALSH

ELLIS PARK – **DIVULGENCE** is on a regular breezing schedule and is coming along nicely.

KESMARC

IMPLICATION and **OVERSHADOW** are aqua-treading and tack walking. With all going well, the plan is for them to return to Mickey Preger in South Carolina on October 1st. Hopefully we can get them ready a winter campaign at the Fair Grounds.
